**Address** Mishrabatrahan, chaubeyparsa  
Gopalganj (BIHAR)

## skill proficiency

- I am highly proficient in writing clean and efficient JavaScript.
- I have awesome skills in Wordpress Designing.
- I have great understanding of Node.JS.
- I have experience in building RESTful API's.
- I am great with GSAP for 3D Animated pages.
- Last but not the least, I am also a good communicator with great communication skills.

## interests

**Strong desire to learn more**

whenever someone says, "Hey buddy, you know so much..", i always reply them, "...still there's a lot to learn".

**Great interest in graphic designing**

almost everything is directly or indirectly related to graphics, graphics are the ones which make us feel alive, wouldn't it be nice if someone feels alive with my creations ??
